

Resolution No. 17-02

A Resolution for Resource Conservation Districts in the State of California to allow CARCD Regions to submit resolutions for consideration during the Association's annual business meeting

WHEREAS, the California Association of Resource Conservation Districts is a 501c3 organization organized into ten regions consisting of Bay-Delta, Central Coast, Central Sierra, High Desert, Modoc Plateau, North Coast, Sacramento Valley, San Joaquin Valley, SoCal Inland, and Southern Baja; and

WHEREAS, these regions consist of multiple individual district members organized according to geographic continuity, common resource concerns, and overlapping partners, and meet at least annually to discuss regional business items; and

WHEREAS, the California Association of Resource Conservation Districts would benefit from the addition of Resolution development and submission into the suite of powers delegated to Association regions; and

WHEREAS, Article X of the CARCD Bylaws addresses Resolution development and submittal

NOW, THEREFORE IT BE RESOLVED that the California Association of Resource Conservation Districts Board of Directors, on behalf of Resource Conservation Districts in the State of California, recognizes that the existing Bylaws, Article X should be updated to include CARCD regions as entities eligible to submit resolutions for consideration at the annual CARCD business meeting.
