

EXHIBIT B
Cost Proposal
Huddart and Wunderlich Forest Health and Fuel Reduction Projects

To: Board of Directors, San Mateo Resource Conservation District

We, the undersigned, having familiarized ourselves with all project plans and local conditions affecting the cost of work to be done, along with the cost proposal and contract documents, hereby propose to provide and furnish all labor, materials, utilities, transportation, and equipment of all types and kinds and to complete the project as specified and described in Exhibit A.

We, the undersigned, agree to perform all of the above work to its completion and to the satisfaction of the RCD for the rates and prices for said work as indicated below.

We, the undersigned, understand that the contract is a lump sum contract. The Contractor cannot be paid over the sum not to exceed without a change order from the RCD. The RCD will not be responsible for any loss of anticipated profits due to reductions in the size of the contract.

4. REFERENCES

List projects and contact information for use as reference or attach reference documentation.

PROJECT NAME Kings Mountain - Cal Fire

Brief description of project:

Project done for Cal Fire of San Mateo County near half moon bay. Project consisted of shaded fuel breaks, fuels reduction and vegetation management and mastication in a park setting. Work was done in and around the public as well as private parcels.

Date(s) constructed: September 2019

Reference (name & phone) Rich Sampson (831) 335-6742

PROJECT NAME Quarry Park - Cal Fire

Brief description of project:

Project done for Cal Fire of San Mateo County near half moon bay. Was originally awarded Kings Mountain (above) and they were pleased with my standards of work, efficiency, communications, etc and had the contractor that was awarded this project stop work and had me take over. This project also consisted of shaded fuel breaks, fuels reduction and vegetation management in a park setting, in and around public roads, around private parcels, and creating fuel breaks on very steep terrain.

Date constructed: October 2019

Reference (name & phone) Sarah Collamer (831)254-1792

PROJECT NAME Contractor for Sierra Pacific Industries - Forestry Mulching, Fuel Breaks, Mastication, Land Management

Brief description of project

RJW Enterprises Inc is a leading contractor for Sierra Pacific Industries going on 3 years. We perform forestry mulching, mastication, fuels reduction, clear cuts, fire breaks, etc. SPI has very high standards and strict requirements for their contractors and we pride ourselves on being a contractor for them. We focus on our work, first and foremost, but also getting it done in a safe, efficient manner, all while keeping open lines of communication with the project leaders. Their requirements for fire safety tools, fire patrol, attention to PAL levels, as well as fire plans and insurance are extremely high and we also pride ourselves on adhering to these protocols.

Date constructed: current contractor
