

# Free help with sustainable gardening!

**Residents of Montara and Moss Beach can receive free technical assistance and funding to make coastsides yards and gardens more sustainable.**

**Funding available for property improvements**

## Learn how to

- Attract birds and butterflies to your garden
- Use less-toxic chemicals
- Lower your water bills
- Capture rainwater
- Protect the ocean and our creeks

**Interested? Contact the  
San Mateo County Resource Conservation District**
