

BLUE CIRCLE

A community forum to share ideas and information
for the stewardship of our natural resources.

WHAT IS ORGANIC? Know your labels, Know your local.

Non-GMO? Organic? Cage free? Free range? Grass-fed? Local? Natural?

Food labels can be confusing. Join your neighbors and hear from local experts & food producers to discuss this important topic over drinks and refreshments.

Speakers include:

- Adria Arko, San Mateo Resource Conservation District (RCD)
- Kathy Webster, TomKat Ranch
- Adrian Fischer, California Certified Organic Farmers (CCOF)

Presentations will be followed by a Q&A and audience discussion.
