

2020 Fire Season is NOT Over Yet

You Cut and Stack, We'll Do the Rest!

Getting Started

- ✓ Defend your home from wildfire by creating defensible space.
- ✓ Check to make sure your street is included in this chipping event. <https://FireSafeSanMateo.org>
- ✓ Clear brush and small trees from around your home.
- ✓ Pile vegetation on the curbside and we'll do the rest!

What's Acceptable

- ✓ Branches, limbs and other woody vegetation up to 8" in diameter.
- ✓ The chipper program is designed for residential use only. NO Commercial use
- ✓ NO construction or building materials. Must be free of wire and nails.
- ✓ No poison oak, vines, grass clippings or bags of leaves.
- ✓ No trash, weeds, rocks, concrete, etc.
- ✓ Piles only, no bags.

October 26 - 27 Selected Streets for El Granada:

- El Granada Blvd (including side streets),
- Dunn Rd,
- Columbus Ave (between Isabella Rd and Santa Maria Ave),
- Del Monte Rd (between Avenue Portola and San Pedro Rd),
- Dolores St,
- Avenue Balboa (between Valencia Ave and Montecito Ave).
